Just wanted you to see that this is what R8/Mario have in the paper for Sara for her Wednesday check-in with Judy. It is accurate but let me know if you think it'll hit anyone sideways.

Hi, Folks. Here are the notes I drafted for Judy and Sara's Wednesday check in call. Please review and add any issues I may have missed that we should elevate to the Division Director level at this time. Erin and Tina, could you please check my updates on the MT nutrient variance litigation (i.e., Oct 20 ruling). Thank you.
